INTERNATIONAL CONFERENCE ON EMERGING AND RENEWABLE ENERGY: GENERATION AND AUTOMATION

UTBM, UFC and UBFC Universities, FEMTO-ST Laboratory, FCLAB research federation from France are organizing the "International Conference on Emerging and Renewable Energy: Generation and Automation (ICEREGA'18)" to be held in Sousse, Tunisia from 28 to 30 October 2018. This event aims at gathering scientists and engineers from academia and industry to discuss the latest techniques in the broad field of renewable energy, energy management and transportation applications.

The Technical Program Overview for ICEREGA'18

Authors are invited to submit **full papers** describing original work in **all aspects of engineering techniques** related to renewable energy and its applications covering, but not limited to:

- ▶ Renewable Energy Systems, Materials and Physics
- ▶ Wind Energy Systems
- ▶ Solar Photovoltaic and Thermal Energy
- ▶ Diagnostics, Prognostics and Fault Tolerant Control of Electrical Systems
- ▶ Control and Observation of Electrical Systems
- ▶ Fuel Cells Materials and Systems
- ▶ Energy Storage Systems and materials
- ▶ Power Generation, Transmission, and Distribution
- ▶ Power Systems, Machines and Control
- ▶ Power Electronics and Drives
- ▶ Intelligent Energy and Smart Grid
- ▶ Transportation Applications
- ▶ Energy Efficiency and Green Buildings
- ▶ Energy Harvesting Applications
- ▶ ICT Applications in Renewable Energy
- ▶ Biofuel and Bioenergy
- ▶ Energy Management
- ▶ Thermal and Thermodynamic Systems

Submission

Authors are invited to submit full papers in pdf format (6 pages maximum, double column, single spacing) template. The paper template can be downloaded from the conference website. Full versions of the submitted papers will be peer reviewed and accepted papers will be published in one of ICEREGA'18 Journal Partners or the ONLINE Conference Proceedings.

Special Sessions for ICEREGA'18 "Available ONLINE".

ICEREGA'18 will include oral/poster presentations. The Program Committee is also soliciting proposals for special sessions, particularly in one of the above theme areas. Interested organizers are invited to contact: icerega@utbm.fr

Publications

Registered and presented high-quality papers will be published in Journal Partners after the due double peer review for full paper versions. Otherwise, ONLINE proceedings is also available.

Registration ICEREGA'18: Available soon on icerega2018.utbm.fr

Journal Partners: ISI-Thomson Reuters-Scopus indexed

Early Bird Payments Deadline: September 25th 2018.

Important NEW dates:

Full Paper Submission: August 15, 2018

Notification of acceptance: August 30, 2018

Special Session Proposal: August 15, 2018

Camera ready paper : September 30, 2018
